D.Cllr Bucknell confirmed that outline planning permission should be granted by the end of the month then demolition will be able to start and hopefully this will put a stop to the on-going issues with trespassers.

0317.10 CEMETERY.

A decision was made to start preparing the extension to the cemetery by planting a horse friendly hedge, probably beech, around the perimeter of the area with the idea that it will have matured in 4-5 years time when the partitioning fence and gate will be removed and the final preparations made to the area to integrate it into the existing cemetery. A quotation has been received for the work from Mr Badcock and it was decided to proceed with this.

0317.11 FOOTPATHS

Cllr Scantlebury's bi-monthly report highlighted the condition of the telephone box. Cllr Hazell will repaint when he can and Cllr Johnston will look at the possibility of brighter lighting.

Cllr Johnston reported that the bins on the playing field had been set light to again. Cllr Brindley is to look at the bench and the bin on the pound as they are in need of some attention.

0317.12 PLAYING FIELDS

The play inspection report has been received. The old slide is earmarked as a moderate risk due to the metal corroding.

Confirmation has been received for a grant of £11,800 from the Ramsey Wind Farm for the purchase of the gym equipment on the large playing field.

Following an in depth discussion about the maintenance contract for the gym equipment and as no decision was made it was decided to call an extraordinary closed council meeting to discuss this in detail and make a final decision. This meeting is to be held on 15th March at 7.30p.m.

0317.13 NEIGHBOURHOOD PLAN

The Neighbourhood Plan has recruited two additional volunteers. Their next meeting will be held on 16th March when Cambridgeshire ACRE will attend.

0317.14 SPEEDING TRAFFIC

D.Cllrs Tavener and Bucknell have received an email from a resident concerned about the speeding vehicles on the B1040. This has been passed onto the Member of Parliament. After much discussion it appears the only way forward is to apply for a Local Highways Initiative Grant next year for putting gates at the entrance to Bury on that road.

0317.15 TUNKERS LANE

It was decided that the letters explaining the options for the green lane area should be sent to all Bury residents. Boxes should be put in place for the replies, possibly in the village store, Bury Cakes and Pies, the Pub and the Garage.

Jo has resigned from the position of co-ordinator. £200 has been received from Woodwalton Parish Council for their share in the Speedwatch equipment. Cllr Tew will chase up the signs that were ordered some months ago and not received.

Cllr. Brindley mentioned the positioning of a village sign near Signal Road. D.Cllr. Bucknell reported that the original sign was removed as it was causing confusion, however he will contact Huntingdonshire District Council to try and get it re-instated. Cllr. Tew reported that Councillor training held recently at Wistow went well and suggested that it may be worth running another one.

It was suggested that a working party should be formed to carry out some of the jobs around the village. It was decided to discuss this at the next meeting.

0317.22 PUBLIC DISCUSSION PERIOD

A Member of the Public informed the Council that vehicles are ignoring the waiting time limit on the new bays in Grenfell Road and some cars being parked for days at a time. The Clerk is to contact the PCSO to investigate this for us.

Ms McGlashan explained that despite her best efforts she has been unable to sign up sufficient volunteers to keep Speedwatch going. Mr Large offered to take over as co-ordinator and ideas were suggested for ways to get more volunteers, which would enable Speedwatch to run more often. In the meantime the Council will continue to push the Highways Department to get some sort of speed restriction in place.
